ECDL - Microsoft Office Package | AutoCAD | Cisco PacketTracer | Digital Circuits | Boolean Algebra

ADDITIONAL INFORMATION

Driving Licence

- **Driving Licence:** AM
- **Driving Licence:** B1
- **Driving Licence:** B

Volunteering

12/10/2019 – CURRENT Tulcea, Bucharest

- **Scouting** I am a volunteer of the National Organization “Cercetaşii României”. This activity has helped me become more sociable and evolve my team management skills (often in less favorable conditions, like: hikes and organizing scout camps in less than two weeks) and how to manage a budget when it comes to organizing an event. Furthermore, I learned to be more disciplined and consistent.

10/2014 – 10/2019 Tulcea

- **Environmental Volunteering** Organizing informational campaigns regarding pollution, biodiversity and endangered species, especially in the Danube Delta.

10/2023 Bucharest

- **Animest Subtitles Department** Added live subtitles to movie screenings during the "Animest" film festival. This experience has taught me the process of using subtitles and other elements of cinematography.

Workshops

12/2023

- **Rust Workshop**

Learned fundamental features of the Rust programming language, while also learning how to contribute to open-source projects.
Worked on CLI applications.
